Sengoku Discovery Shiga & Lake Biwa Summer Battle

40th Anniversary Event

— 2026 Lake Biwa Great Fireworks Festival

A lakeside performance spreading across Lake Biwa. A story woven by history and light across the night sky and the lake's surface.

The Lake Biwa Great Fireworks Festival, celebrating its 40th anniversary, features a spectacular special production — a collaboration of fireworks, laser beams, and a drone show — vividly illuminating Lake Biwa and the summer night sky.

In honor of Shiga Prefecture's tourism campaign "Sengoku Discovery Shiga & Lake Biwa," the Sengoku (the Warring States) stories of warlords who risked their lives in battle and princesses who devoted themselves to protecting their loved ones and homes will be expressed through fireworks spreading across the entirety of Lake Biwa.
